

Summer Program Registration – 2009

We are looking forward to a fun summer! We will continue our excellent academic program but will also be having some serious summer fun! The summer will include: cooking, gymnastics, yoga, water play, drama, art, sports, gardening, games, musicians and other interesting fieldtrips coming to us.

As always, we will provide a safe, consistent, educational and loving environment for your child. We pride ourselves in challenging your children with new ideas and experiences that will provide them with a well rounded educational experience and help them discover the joy of learning.
